Up & Running is a chain of 31 specialist running shops. All stores are staffed by runners. We offer treadmill gait analysis to take the guesswork out of buying shoes, plus, a one stop shop for clothing, accessories, energy products, race entry forms, and local running routes.... We're working hard to have our Sevenoaks store open in October. Call in for our Grand Opening, and take advantage of our opening offer, or just come and browse our selection of the latest and best running clothing and accessories.

We'd love to see you on the first of our Up & Runners Social Runs - we'll run at a steady pace, so no one gets left behind. Free Tech T shirts to the first 40 to register on sevenoaks@upandrunning.co.uk
Or just turn up on the day
